The North Fulton Black-Owned Business Directory

Empowering Entrepreneurship, Strengthening Community

Welcome to the North Fulton Black-Owned Business Directory, a collaborative initiative by the North Fulton Alumnae Chapter (NFAC) and the Marietta-Roswell Alumnae Chapter (MRAC) of Delta Sigma Theta Sorority, Inc.

This directory is more than just a resource; it's a vibrant, community-driven platform dedicated to celebrating and elevating Black-owned businesses. Every business featured here is a testament to the innovation, creativity, and determination that fuels our local economy and shapes our communities.

By supporting these small businesses and entrepreneurs, you play a vital role in fostering economic empowerment, strengthening local ties, and inspiring future generations. Your support contributes directly to the viability and prosperity of these businesses within the Alpharetta, Milton, Sandy Springs, Johns Creek, Dunwoody, Duluth, Suwanee, Peachtree Corners, Norcross (Fulton County), Canton, and Woodstock (Cherokee County).

We encourage you not only to explore and support these businesses, but also to share this directory with friends, family, and your broader network. Together, we can amplify the impact of our local entrepreneurs and ensure that our communities continue to thrive.

Let's celebrate Black-owned excellence and build a stronger, more connected future—one purchase, one conversation, and one partnership at a time.
